CATASTROPHIC LEAVE PROGRAM
EMPLOYEE INFORMATION

The Catastrophic Leave Bank Program is a State employee benefit established by Arkansas Code Annotated 21-4-214 et seq. The purpose of the program is to provide paid leave for employees with a catastrophic illness who have exhausted all other paid leave. Catastrophic illness, as defined by the State, means a personal emergency limited to catastrophic and debilitating medical situations, severely complicated disabilities, and severe accidental injuries which cause the employee to be incapacitated from the performance of assigned job duties, which require a prolonged period of recuperation, and which require the employee's absence from duty as documented by a physician or other individual as provided in ARK.CODE Annotated 21-4-201 et seq. The University of Arkansas - Fayetteville Catastrophic Leave Bank is a pool of accrued leave donated by eligible employees that may be transferred to qualified recipients. Only the hours are transferred - the employee continues to be paid by the employing department while on Catastrophic Leave.

FMLA IMPLICATIONS:

The Family and Medical Leave Act (FMLA) of 1993 requires covered employers to provide up to twelve (12) weeks of unpaid, job-protected leave to "eligible" employees for certain family and medical reasons. This includes serious health conditions, defined as an illness, injury, impairment, or physical or mental condition that makes the employee unable to perform the employee's job. Consequently, an employee with a medical condition that meets the definition of catastrophic illness under the Catastrophic Leave Bank Program, and who meets the eligibility requirements of the Catastrophic Leave Bank Program, also may meet FMLA eligibility requirements. In addition to any other FMLA leave you have used (or any unused portion of your entitlement), all Catastrophic Leave time taken will reduce your twelve (12) week FMLA entitlement for the calendar year in which it occurs.

Upon notification of a "FMLA eligible" situation, the FMLA requires employers to give employees written notice that their leave time in regard to the situation will be deducted from their twelve week FMLA entitlement. The information provided above serves as notice that your twelve-week FMLA entitlement will be reduced by the amount of any Catastrophic Leave time used by you.

Other types of leave could also reduce your FMLA entitlement. Please contact the Leave Administrator at 575-7618 regarding your specific circumstances.
CATASTROPHIC LEAVE BANK PROGRAM ELIGIBILITY REQUIREMENTS:

- The recipient must be a current full-time employee who has been employed by the State for at least two (2) years in a regular, full time position. Service does not have to be continuous.
- The employee must not have been disciplined for misuse or inappropriate use of leave within the past (2) years.
- The employee must have exhausted all accrued leave (annual, sick, holiday, and compensatory time).
- The employee must have a current "Physician's Certification" of a medical condition which prevents the employee from performing the employee's job duties for a prolonged period of time (defined as 20 working days) and which will result in a substantial loss of income.
- The employee must have at least an 80 hours combined sick and annual leave accrual at the onset of the illness or injury.

NOTE TO THE EMPLOYEE:

It is important that the employee, or their legal representative, file as soon as they know that they need Catastrophic Leave and their available leave is going to exhaust. Follow-up on the processing of the application is the employee's responsibility. The employee must have the completed application submitted to the Leave Administrator by the 1st working day of the month.

Employees on Catastrophic Leave continue to accrue leave and receive other benefits, however any leave earned while an employee is on Catastrophic Leave must, as a condition of voluntary participation in the program, be assigned to the Catastrophic Leave Bank, and any restrictions concerning the maintenance of minimum leave balances shall not apply to such assignment. No, retroactive hours will be granted to employees.
